ADMISSION AND PERMANENCE OF PETS

REGULATION

To ensure the comfort and satisfaction of all our guests, the permanence with your pet has to respect the following rules.

- General rules
 - As for this regulation, only cats and dogs are considered as pets;
 - Pets of dangerous breeds, as stated by law, are not admitted;
 - Only people over 16 are allowed to bring a pet;
 - On check in the client fills and signs a pet's registration form, has to show the pet's license and prove good health conditions of the pet;
 - During check in the client must fill and sign the animal registration file and must make prove of the good health condition and license of the pet (s);
 - Pets cannot disturb other clients, and have to respect the silence hours from the camping;
 - The camping management reserves the right to demand the immediate departure from the campsite of any pet that shows aggressiveness, disturbing other guests, or any other unacceptable behavior, such as biting, scratching, scaring or excessive barking;
 - All the pet's waist has to be immediately removed by the owner/responsible and taken to the undifferentiated garbage container;
 - Pets are not allowed in the swimming pool, restaurant, sanitary facilities, laundry and mini-market;
 - Every time the pet is in the common spaces it has to be on the leash or in the owner/responsible's lap;
 - The client is responsible for any damages caused to the equipment or the people;
 - It is strictly forbidden for the pets to stay unattended inside the Bungalows or camping equipment;
 - This regulation is not applied in case of guide-dogs;
- Pets from other species are only allowed under specific authorization and particular conditions defined case by case;
- The price for pets is defined in the specific price list;
- Camping accommodation
 - Maximum number of pets per pitch is two;
 - The pet accommodation has to be inside the equipment (tent/caravan), pets are not allowed outside the equipment during the night;
- Admission and accommodation in Bungalow
 - The admission of pets in Bungalows requires reservation and availability;
 - Only admitted one pet per unit;
 - Only pets mentioned in the registration form are allowed inside the unit;
 - Pets are not allowed the use of the bathroom;
 - At the end of the stay the client has to clean the unit, check out will occur after verification of the unit's cleaning and conservation conditions;
- The disrespect of this regulation implies the immediate exit of the camping with the payment of the complete stay, as in the reservation dates;
